CASE NO: 2:19-cv-00418-GMN-CWH

16  
17 **STIPULATED PROTECTIVE ORDER**

18 THE PARTIES TO THIS LAWSUIT: Plaintiff, by and through her attorney of record,  
19 JAMIE H. CORCORAN, ESQ. and SCOTT POISSON, ESQ. of the LAW OFFICE OF  
20 BERNSTEIN & POISSON, and TARGET CORPORATION, by and through its attorneys of  
21 record, LOREN S. YOUNG, ESQ. of LINCOLN, GUSTAFSON & CERCOS, LLP, do  
22 hereby stipulate to the entry of the following Protective Order.

23 **IT IS HEREBY STIPULATED AND AGREED** that any and all documents  
24 produced or to be produced by any party to this action pursuant to any Subpoena, Interrogatory,  
25 Request for Production of Documents, Request for Admission, and/or Deposition Notice served  
26 by any other party, or testimony by way of deposition, interrogatory or at trial or hearing  
27 concerning the design, manufacture, contracts and/or sales of any products, or the internal  
28 operating procedures of the defendants, which are proprietary, confidential, and/or trade secrets,  
shall be subject to this Order. These documents and testimony are referred to as "Protected

Documents” and “Protected Testimony” as hereinafter defined, and are to be maintained in a confidential manner under the procedures as hereinafter set forth:

1. The term “Protected Document” as used herein shall mean any document (including, but not limited to, any and all excerpts, digests, summaries or indices thereof) produced during discovery and designated at the time of production as a “Protected Document.” Designating any such document as a “Protected Document” must be made in good faith and for good cause. A “Protected Document” shall continue to be a “Protected Document” until such time as the producer of such document expressly agrees in writing that the document is no longer considered to be a “Protected Document” or there is a finding by this Court that the document is not the proper subject of protection.

2. The term “Protected Testimony” as used herein shall mean any testimony given by way of deposition, interrogatory or at trial of this action (including, but not limited to, any and all excerpts, digests, summaries or indices thereof) that is designated at the time the testimony is given and/or designated by the defendant to be “Protected Testimony.” Designating any such testimony as “Protected Testimony” must be made in good faith and for good cause. “Protected Testimony” shall continue to be “Protected Testimony” until such time as the testifying party expressly agrees in writing that the testimony is no longer considered to be “Protected Testimony” or there is a finding by this Court that the testimony is not the proper subject of protection.

3. The documents designated and produced as “Protected Documents” and testimony designated as “Protected Testimony” shall be given confidential treatment as described below.

4. Without further order of this Court, requesting or receiving parties may disclose the contents of “Protected Documents” and “Protected Testimony” only to the following persons (“Qualified Persons”):

- a. Counsel of record in this action for requesting or receiving party;
- b. Regular employees of such counsel assigned to and necessary to assist such counsel in the preparation or trial of this action;

- 1 c. Experts retained in this matter but **only for use in this matter**, and subject  
2 to all of the terms and conditions of this Order;
- 3 d. Parties to this matter but **only on a need-to-know basis to the extent**  
4 **necessary for the defense or prosecution of this case**, and subject to all of  
5 the terms and conditions of this Order and provided that no disclosure  
6 shall be made to any person employed by any competitor of the party  
7 producing the "Protected Document" or giving "Protected Testimony"  
8 except upon further order of this Court;
- 9 e. A court reporter or other such staff but only to the extent of transcribing  
10 "Protected Testimony" and/or copying "Protected Documents" for  
11 placement into sealed container(s) accompanying and/or attached  
12 to such deposition transcripts; and
- 13 f. The Court and its personnel and any jury empanelled in this action.

14 5. In the event that any person, expert or witness in this action or other "Qualified  
15 Person" is not willing to agree to be bound by this Order, the party seeking confidentiality may  
16 move the Court for an order compelling the person to comply with this Order within fifteen (15)  
17 days of written notification that the person is unwilling to be bound. This provision is without  
18 waiver to any party's right to move the Court for a ruling on whether it may use material designated  
19 as a "Protected Document" or "Protected Testimony" pursuant to this Order in questioning  
20 an expert or witness who refuses to sign and is not compelled by the Court to maintain  
21 confidentiality.

22 6. If a person, expert or other "Qualified Person" refuses to acknowledge and  
23 be bound by this Order during the course of a deposition, the deposition may be adjourned so that  
24 the party seeking confidentiality may move for an order compelling the witness to comply with this  
25 Order within fourteen (14) days following the refusal to agree to this Order. The time for filing  
26 such a motion, when the refusal is during a deposition, is controlled by this paragraph.

27 7. Every "Protected Document" copied for production (including excerpts, digests,  
28 summaries or indices thereof) shall be clearly marked as follows:

**PROTECTED DOCUMENT - CONFIDENTIAL**  
**ROKNICH v. TARGET**  
**2:19-cv-00418**  
**DO NOT COPY**

and shall remain at all times under the custody of counsel for the party or parties obtaining such documents, or other such “Qualified Persons” as defined in paragraph 4 above.

8. “Protected Testimony” shall be noted in the record at the start and the conclusion of “Protected Testimony” and shall remain at all times under the custody of counsel for the party or parties obtaining such testimony, or other such “Qualified Persons” as defined in paragraph 4 above. Notwithstanding a failure to designate testimony as “Protected Testimony” at the time the testimony is elicited, if within thirty (30) days of the entry of this stipulated order, or within thirty (30) days of the receipt of a transcript by counsel for the deponent, whichever is later, testimony is designated as “Protected Testimony” by page and line designations, such testimony shall be subject to this Order and failure to so designate at the time the testimony is elicited does not constitute a waiver of such protection.

9. If a party contends in good faith that any document or testimony has been erroneously designated as a “Protected Document” or “Protected Testimony” and subject to this Order, such party and any “Qualified Persons” shall nevertheless treat the document as a “Protected Document” and the testimony as “Protected Testimony” unless and until such persons either: (a) obtain the document producing party’s written permission to do otherwise, or (b) after first meeting and conferring with counsel for the document producing party, obtains an order from the Court finding that the document or testimony is not subject to protection. Notwithstanding the actual party that seeks the Court’s intervention as to the application of this Order to a particular document or testimony, it remains the document producing or testifying party’s burden of proof to establish that such designated document or testimony is subject to this Order and protection from public disclosure under applicable law.

10. “Protected Documents,” the material contained therein and “Protected Testimony” shall not be used or shown, disseminated, copied or in any way communicated to anyone for any purpose whatsoever other than to “Qualified Persons,” as defined above. Except as provided for in paragraph 4 above, plaintiff, defendants and “Qualified Persons” shall keep all “Protected

Documents,” the material contained therein and “Protected Testimony” confidential from all persons.

11. Before being given access to any “Protected Document” or “Protected Testimony,” each “Qualified Person” to whom plaintiff or defendants and/or anyone acting on their behalf including, but not limited to, their attorneys, agents and/or representatives intend to deliver, exhibit, disclose or otherwise communicate and/or disseminate any “Protected Document,” material contained therein or “Protected Testimony” in any form whatsoever, such “Qualified Person” shall be advised of the terms of this Order, shall be given a copy of this Order, and shall agree, in writing, to be bound by its terms by execution of the Affidavit attached hereto as Exhibit “A.” All counsel shall maintain lists of all “Qualified Persons” to whom any “Protected Document,” material contained therein or “Protected Testimony” is provided, specifying the “Protected Document,” material or “Protected Testimony” provided to the “Qualified Person” and the lists shall be available for inspection by the Court at any time and a copy of this list shall be delivered to the document producing party when the documents are returned pursuant to paragraph 17, *infra*.

12. Counsel for a requesting or receiving party shall keep records of all copies of each “Protected Document” or “Protected Testimony” made and/or distributed, in whole or in part, or any summaries or excerpts thereof to “Qualified Persons.” Any copies so distributed shall be returned to the respective counsel within twenty (20) days of completion of the “Qualified Person’s” retention in this case.

13. To the extent that any “Protected Document,” or information obtained there from, is used in the taking of depositions, all such “Protected Documents” and information shall remain subject to the provisions of this Order, along with the transcript pages of the deposition testimony dealing with the “Protected Documents,” “Protected Testimony” or information. At the time any “Protected Document” is used in any deposition, the reporter shall be informed of this Order and shall be required to operate in a manner consistent with this Order, and the reporter shall label the transcript “Confidential.” Any “Protected Documents” marked as exhibits shall be kept in a separate sealed envelope, with the envelope appropriately marked that the contents are

1 subject to Protection pursuant to paragraph 7, *supra*. In the event the deposition is videotaped,  
2 the original and all copies of the videotape shall be marked by the video technician to indicate that the  
3 contents of the videotape are confidential subject to this Order in substantially the same form as  
4 follows below:

5 **This videotape contains confidential testimony used in this case**  
6 **and is not to be viewed or the contents thereof displayed, or**  
7 **revealed except by order of the Court, or pursuant to written**  
8 **stipulation of the parties.”**

9 14. All documents that are filed with the Court that contain any portion of any  
10 “Protected Document” or information taken from any “Protected Document” (in summary form or  
11 otherwise) or “Protected Testimony” shall be filed under seal pursuant to the court’s local rules in a  
12 sealed envelope, or other appropriate sealed container, on which shall be endorsed with the  
13 caption of the litigation, and a notation that the contents are confidential subject to this Order in  
14 substantially the same form as follows below:

15 **"This envelope/container is sealed and contains confidential**  
16 **information filed in this case by [name of party] and is not to be**  
17 **opened or the contents thereof displayed, or revealed except by**  
18 **order of the Court, or pursuant to written stipulation of the**  
19 **parties. This envelope shall not be opened without order of the**  
20 **Court and only by the Court's assigned courtroom deputy clerk**  
21 **and only in the presence of all counsel of record who, after**  
22 **reviewing the contents, shall return them to the Clerk in a sealed**  
23 **envelope or container."**

24 15. No requesting or receiving party or “Qualified Person” who receives copies of any  
25 “Protected Documents” or “Protected Testimony” or any part, portion, summary or excerpt  
26 thereof produced in accordance with this Order, is authorized to disseminate, communicate or  
27 distribute in any manner, all or any part of the “Protected Document” or “Protected Testimony” to  
28 any other person, firm, corporation or organization, without the prior written consent of document  
or testimony producing party, or upon order of this Court.

16. That all documents, information, or other data produced which are the subject of this  
Order, shall be used solely for the purposes of this litigation and not for any other purpose, including  
any educational purpose, business purpose or any other litigation, mediation or arbitration.

17. Within twenty (20) days from and after the conclusion of this litigation,  
including any appeals, either: (a) by compromise settlement, (b) by stipulated dismissal, (c)

1 by entry of judgment, or (d) by conclusion of appeals, whichever shall occur first, all “Protected  
2 Documents,” “Protected Testimony” or other materials subject to this Order shall be retrieved  
3 by the party who sought their production. All “Protected Documents” and “Protected  
4 Testimony” provided by the producing party must be returned within thirty (30) days of the  
5 conclusion of this litigation or destroyed within that time period.

6 18. No requesting or receiving party, their counsel or experts, shall under any  
7 circumstances sell, offer for sale, advertise, communicate, disseminate or otherwise publicize  
8 either the contents of “Protected Documents” or “Protected Testimony,” or the fact that the  
9 requesting or receiving party has obtained confidential and/or privileged documents or  
10 testimony from a party to this litigation.

11 19. This Order shall be binding upon the parties hereto, upon their attorneys, and  
12 upon the parties’ and their attorneys’ successors, executors, personal representatives, administrators,  
13 heirs, representatives, assigns, subsidiaries, divisions, employees, agents, retained experts, and  
14 the persons or organizations over which they have control.

15 20. After termination of this litigation, including any appeals, the provisions of  
16 this Order shall continue to be binding, except with respect to those documents and information that  
17 become a matter of public record. The parties and all persons agreeing to abide by the provisions  
18 of this Order agree that this Court retains jurisdiction after termination of the action for the  
19 limited purpose of enforcing the provisions of this Order and violation of the provisions of this  
20 Order are subject to contempt of court or other appropriate sanctions.

21 21. If a party inadvertently produces “Protected Documents” or “Protected  
22 Testimony” not designated as such in this litigation, it may re-designate such information by giving  
23 written notice to all parties that the production of such information without having been  
24 designated as “Protected Documents” or “Protected Testimony” was inadvertent. Upon receipt  
25 of such notice, all parties in possession of such information must stamp all such information as  
26 provided above in paragraph 7, *supra*, or return such documents to the producing party for such  
27 stamping. Any such inadvertent production in this case shall not be considered a waiver of the terms  
28 and conditions of this Order.

1           22.     Neither the taking nor the failure to take any action to enforce the provisions of  
2 this Order, nor the failure to object to any such action or omission, shall constitute a waiver of any  
3 claim or defense at trial or that any document or communication is a "Protected Document" or  
4 "Protected Testimony" or subject to any other privileges or is inadmissible for any other reason.

5           23.     The parties agree that should any dispute arise over the terms of this agreement,  
6 the Court shall decide such dispute, provided this Court can exercise jurisdiction over the person(s)  
7 involved in said dispute.
